

## CHRISTMAS TRADE UNUSUALLY GOOD, WITH EARLY RUSH

This in Spite of the Fact That  
Tobacco is Not Mov-  
ing to Market.

Paducah People are Spending  
Freely.

WHOLESALESALE ARE PLEASED.

CLEARINGS FOR WEEK.

Clearings this week, \$457,872.  
Same week last year, \$415,488.

The absence of a tobacco season to  
for this year has resulted in a falling  
off of the country trade with the mer-  
chants. There have been indications  
of a season, but at each instance the  
weather has turned cold again, and  
the farmers have been unable to mar-  
ket their crop. In speaking of the  
condition once well known tobacco  
buyer said:

"I have been in the tobacco busi-  
ness for 40 years and I have never  
seen such conditions as exist this  
year. Last year at this time of the  
year at least 40 per cent of the to-  
bacco crop was sold and delivered,  
but this year only a few wagon loads  
have been brought in. Much of the  
tobacco has been sold, but reasonable  
weather for the delivery of the to-  
bacco has not been had. There is a  
large crop of tobacco to be delivered  
and when damp warm weather does  
come I look for a big rush as the  
growers are as anxious as the buyers  
to move the tobacco."

Christmas Trade Good,  
Shop early. Injunction, or  
something is responsible for the past  
week surpassing any second week in  
December in the volume of business  
done by Paducah retail merchants.

There has not been a day when most  
of the stores have not had all the  
trade they could wait on conveni-  
ently, and Thursday and today the stores  
have been thronged to their capacity.

All the trading, too, has been done  
by local people. There have been  
but few out-of-town customers in  
this week, but they are expected in  
great numbers next week. The un-  
seasonable weather for tobacco has  
hurt a great deal, and if we had only  
had some good tobacco weather  
there is no telling just what the  
week's trade would have gone to.  
There are a great many farmers in  
today. Some tobacco has been  
brought to town, but it is such a  
small amount almost to be negligible.  
Last year, the first week of Decem-  
ber, over \$200,000 was paid out for  
the week, hence some idea of what a  
good season means can be appre-  
ciated when that fact is considered.

The stores will be open at night  
from now till Christmas, and next  
week give every promise of being a  
record breaker.

The local wholesale houses have  
had a satisfactory Christmas trade,  
and collections, too, have been fair.  
All the traveling men are in now for  
the holidays, to stay until after the  
first week of the new year.

The local mail order whisky  
houses have had wonderful increases  
in their business this season, and  
they are taxed to get out the orders  
promptly.

JOINT INSTALLATION  
OF OFFICERS TOMORROW

Joint installation of officers by the  
members of Wingo division, No. 290,  
of the Order of Railway Conductors  
and the members of the ladies' auxil-  
iary will take place tomorrow  
afternoon and evening at the Three  
Links building. The installation of  
officers will take place tomorrow  
afternoon and will conclude with a  
banquet which will be served by the  
ladies. The installation will take  
place in the lodge room of the Three  
Links building.

Steel Some Whisky.

Four cases of bottled in bond  
whisky valued at \$40 were stolen  
from the storeroom of R. L. Pencher  
& company, at 118 North Fourth  
street, before dawn today. A negro  
pushing a cart is said to have been  
seen in the rear of the building  
about 4 o'clock this morning. En-  
trance was gained through the front  
door by means of a skeleton key.  
The police were notified this morn-  
ing by Mr. Pencher, but there are  
no clues.

Elks at Cairo.

Four Paducah Elks were guests of  
the Cairo Elks last night at a re-  
ception given in Cairo. In the party  
were: A. W. Greif, Mike Griffin,  
John Atkins and Ed Renfro. They  
returned from Cairo this morning.

Declares That All Defendants  
Had Hand in Lamasco Mur-  
der—Two Die Trying to  
Save Stock From Burning.

Eddyville, Ky., Dec. 17.—(Special.)—Tom Litchfield, owner of the  
picnic grounds at Lamasco, told the  
story of the killing of Axion Cooper.  
He said all the defendants had a  
hand in it. He says the Creekmurs  
threatened him because he tried to  
save Cooper. All the defendants  
were put on the stand. The case will  
go to the jury Monday.

It is believed he suffered from verti-  
go.

## STRIKERS COMPETING WITH TRACTION LINE

Winnipeg, Manitoba, Dec. 17.—  
Conducting their strike without vio-  
lence, 500 conductors and motormen  
today began covering the city with  
sleighs, buses and hacks, and are  
capturing the nickels the street car  
company is losing. Few passengers  
are using the street cars.

Will Name Delegates

A good roads congress will be  
held in Louisville December 28 by  
the Kentucky Good Roads associa-  
tion, and every county in the state  
is urged to have representatives at  
the congress. McCracken county is  
entitled to five delegates, who will  
be named by County Judge Allen  
W. Hankley in a few days. By virtue  
of his office Judge Hankley is a mem-  
ber, and he will attend the session  
of the congress.

## Share Your Christmas With Poor Children

Not what we give, but what we  
share—  
For the gift without the giver is bare,  
Who gives himself with his gifts  
feeds three—  
Himself, his hungry neighbor and  
Me.

That bit of Lowell's "Vision of Sir  
Launfal" is appropriate for the Good  
Fellows, and would make a good  
motto for the order. The spirit in  
which the Good Fellows of Paducah  
take up their work will mean much  
to the success of the plan and to the  
own joy of the giver. Of course, all  
Good Fellows should have a merry  
Christmas, and the best way to ob-  
tain a genuine happy yuletide is to  
bring happiness into some home  
where sorrow will reign unless there  
is assistance from some true brother.

It is a sad fact that there are more  
requests for help pouring into the  
Philanthropic department of the  
Woman's club, 214 South Seventh

GOOD FELLOWS are requested to fill out the following blank  
and mail it to The Evening Sun or the PHILANTHROPIC DE-  
PARTMENT of the Woman's club, 214 South Seventh street.

EARTH QUAKES.

Cleveland, Ohio, Dec. 17.—  
Earthquake shocks continuing  
from 9:12 until 10:11 last  
night are reported today by  
Father Odenbach, in charge of  
the St. Ignace academy semi-  
mograph. They appeared simi-  
lar to quakes that damaged  
Havana several years ago, and  
were estimated to be 6,000  
miles distant. A slight shock  
was recorded at 4 this morning.

## PLAYMATES WARN MOTHER IN TIME

MRS. INGRAM FINDS YOUNG SON  
IN FLAMES, BUT SAVES  
HIM.

The timely warning given by his  
little playmates saved Louis Ingram,  
the 2-year-old son of Mr. and Mrs.  
Herman Ingram, from being burned  
to death at 1 o'clock this afternoon  
at his home, 517 South Eleventh  
street. His left side and leg are  
badly burned although his injuries  
are not thought to be serious. Mrs.  
Ingram had just stepped out of the  
room where the children were play-  
ing and Louis touched a paper to the  
red hot stove. It was instantly ig-  
nited and the flames leaped to his  
clothing and spread quickly. Screams  
of the other children called Mrs. In-  
gram to the room in a few seconds  
to find the little boy almost a hu-  
man torch. She succeeded in smother-  
ing the flames. Mr. Ingram is  
manager of the O. L. Gregory Vine-  
gar company.

## N. Y. STOCK BROKERS SUSPENDED ON 'CHANGE

New York, Dec. 17.—The suspen-  
sion of Judson & Judson, a stock  
brokerage firm, was announced today  
on the stock exchange. A. M. Jud-  
son joined the board in 1869.

Pupils are Good Fellows

The pupils of the Franklin school  
assumed the role of Good Fellows,  
and contributed 12 baskets of fruit  
and a large cake to the poor of the  
city. As the fruit would not keep  
until Christmas the gifts were dis-  
tributed among the poor today.

Suit on Saloon Bond.

City Solicitor Campbell today  
brought suit against Dan Galvin, sa-  
loonkeeper, whose license was re-  
voked, and the National Surety com-  
pany, on his bond of \$1,000.

## CANDIDATES FOR REPUBLICAN HEAD OF CITY TICKET

Being Mentioned, Though  
None are Yet Announced  
as Desiring Place.

Arthur Y. Martin Suggested  
For City Solicitor.

T. N. HAZELIP FOR ATTORNEY.

Much speculation is being in-  
dulged in as the year for the elec-  
tion of a mayor approaches as to  
whom the Republican nomination for  
mayor will go. To follow the splen-  
did record that the present Republi-  
can administration is making it is  
necessary that the head of the ticket  
shall be a business man well experi-  
enced and in every way competent  
to uphold the party name. A num-  
ber of men are considered for the  
nomination, but this early it is any-  
body's battle.

The nominee of the party will  
hardly be declared before next sum-  
mer, but in the meanwhile, political  
tongues are wagging and pointing  
out various men as suitable for the  
place. Mr. Earl Palmer is promi-  
nently mentioned for the nomina-  
tion. He was a candidate for the  
nomination against Mayor Smith in  
the convention and made a strong  
fight. Mr. Palmer announces to his  
best friends that he will not re-en-  
ter politics, but his admirers have not  
accepted that answer as final.

The name of Alderman C. L. Van  
Meter is mentioned as a possible  
candidate for the honor. Alderman  
Van Meter has made a splendid  
record as chairman of the finance  
committee and is well acquainted  
with the work. Alderman Harry  
Hank is mentioned as material for a  
strong candidate, but he has always  
declined to permit his name to be  
considered. Alderman Will Farley,  
who was mentioned, has declined to  
be considered in the race.

City Attorney Arthur Y. Martin  
is mentioned for city solicitor in  
recognition of his good record as  
city attorney. The appointment is  
made by the mayor. Attorney T. N.  
Hazelip, who nearly carried the city  
for county judge, is spoken of as a  
strong candidate for city attorney.  
Little talk is heard about other  
offices this early.

## COUNTRY LIFE

AS RELATED TO THE COUNTRY  
CHURCH.

Work in Which Dr. Landis Has  
Been Associated With Promi-  
nent Men.

After a five weeks' visit through  
north central Indiana, the Rev. E.  
B. Landis, pastor of the Kentucky  
Avenue Presbyterian church, re-  
turned home this morning. The pur-  
pose of his trip was to investigate the  
conditions in country life pertaining  
to the economical, educational,  
recreational, social and religious con-  
ditions prevailing in the open coun-  
try, villages and towns. He visited  
36 communities and his report made  
to the Crawfordville (Ind.) Presby-  
tery showed favorable conditions  
existing.

The report which was made last  
Thursday at Lafayette, Ind., will be  
the basis of information looking to  
the federation and closer cooperation  
of the churches in building up Chris-  
tian activities in many communities.  
The Rev. Mr. Landis was one of  
three chosen by the Board of Home  
Missions of New York City. A like  
campaign having been carried on in  
Pennsylvania. It recently closed  
with a grand central meeting at  
Huntington. Dr. Landis was under  
the direction of the committee of  
home missions of the Crawfordville  
Presbytery and was kept busy every-  
day. A similar campaign was carried  
on in north central Illinois and later  
in the winter a final central meeting  
will be arranged. This is all pioneer  
work of distinctly an advanced type  
and Mr. Landis' selection to investi-  
gate the conditions in Indiana was  
quite a honor. Associated with  
him were Professor Skinner, dean of  
the Agricultural department of  
Perdue University and Dr. W. H.  
Wilson, of New York City. They  
made investigations through the  
state along their own lines.

—Charles Gilliam, 418 South  
Tenth street, told the police this  
morning that a thief broke into his  
residence some time last night and  
stole a 38-calibre Smith & Wesson  
revolver.

## Mexican Rebels Win Victory From Soldiers and Are in Complete of Possession of State of Chihuahua

Eight Hundred Federals are  
Left Dead on Field—Most  
Serious Reverse Govern-  
ment Has Received.

Galveston, Tex., Dec. 17.—A de-  
cisive rebel victory in a battle with  
Mexican troops at La Junta, Chihua-  
hua, is the most severe blow yet suf-  
fered by the Mexican government.  
Official despatches over the Mexi-  
can cable today say 800 soldiers,  
under command of Generals Navarro  
and Hernandez, were killed. The  
rebel loss also was appalling, but  
their dead were removed before a  
count was possible.

A hundred others were wounded  
in the federal ranks. The rebels  
practically control Chihuahua today,  
and the situation is the most seri-  
ous since the beginning of distur-  
bances. The rebels captured three  
machine guns, and arms and ammu-  
nition of dead troops.

The battle late yesterday contin-  
ued for hours, both sides being ag-  
gressive on open ground. Survivors  
from the battle of Cerro Prieto, and  
Guerrero formed the rebel army at  
La Junta, about 1,500. The federal  
army numbered about 1,200.

Morris Farley Counseling Home.  
Mr. Morris M. Farley, formerly of  
Paducah, who is traveling through  
the south for the American Tobacco  
company with headquarters at  
Natchez, Miss., is expected home the  
first of next week to spend the hol-  
idays with his parents, Mr. and Mrs.  
J. C. Farley, of Mechanicsburg. Mr.  
Farley left Memphis several months  
ago when he accepted his present  
position.

## ERBSTEIN JURY COULD NOT AGREE

MINISTRIAL IN CASE OF LEE  
O'NEAL BROWNE'S ATTOR-  
NEY AT CHICAGO.

Chicago, Dec. 17.—Disagreement  
and the discharge of the jury in  
Judge Brennan's court today was the  
result of the Charles Erbstein trial.  
He was accused of bribing Grant  
McCUTCHEON, a juror in the second  
trial of Lee O'Neal Browne, Demo-  
cratic legislative leader, who was  
recently acquitted of bribery in the  
legislature.

Part of Bone Removed

As a result of stepping upon a  
nail, little Noble Harper, four years  
old, of Hardwell, may lose his left  
leg. He was operated upon this  
morning at Riverside hospital, and  
part of the bone of the leg removed,  
but the operation may not check the  
infection. The lad stepped upon a  
nail some time ago, and the wound  
became infected. The lad is a nephew  
of Police Judge D. A. Cross.

—Mr. and Mrs. Eugene Sedberry,  
1699 Clay street, are parents of a  
fine boy baby.

## Eight Days to Xmas

DEC. 17

Remember  
the Children  
of the Poor  
This Xmas

RED CROSS SEALS.

Today bids fair to be a record  
breaker in the sales of the Red  
Cross Christmas seals as at 2  
o'clock 800 seals had been sold.  
Yesterday 1,100 seals were  
sold, and broke the record. The  
station at the postoffice today  
was in charge of Mrs. James C.  
Utterback, assisted by Mrs. H.  
S. Wells, Mrs. O. B. Starks  
and Mrs. C. H. Blaney. A sec-  
ond table has been placed in  
the lobby for the sale of the  
seals. The ladies who will be  
in charge of the station next  
week are: Mrs. W. L. Brain-  
ard, Monday; Mrs. Frank M.  
Fisher, Tuesday; Mrs. Jacob  
Wallerstein, Wednesday; Mrs.  
E. P. Noble, Thursday; Mrs.  
Joseph Laevison, Friday, and  
Miss Jennie Gilson, Saturday.  
Each chairman will appoint her  
assistants. Next week will  
close the sale of the seals, and  
it is expected that all the seals  
will be sold.

## NEWARK LYNCHER IS FOUND GUILTY

MAN WHO HELPED MURDER  
DRY DETECTIVE GOES TO  
PRISON.

Newark, Ohio, Dec. 17.—Montella  
Watha, the Hindu, tried for murder  
in connection with the lynching of  
Detective Carl Etherington, the  
"dry" detective, in the recent saloon  
war, was convicted of manslaughter  
today by a jury's verdict.

Watha is the first of fifteen men  
charged with the murder of Ethering-  
ton to be placed on trial. He was  
born in Bombay, India. His mother  
was a Hindu and his father a Malay.

## ALLEGED DISORDERLY HOUSE CASE IS HEARD

The trial of Mrs. Emma Reed on a  
charge of maintaining a disorderly  
house on South Fifth street, between  
Ohio and Tennessee streets, resulted  
in a hung jury in police court this  
morning. Mrs. Reed was represent-  
ed by Attorney David Brown and  
the case occupied most of the morn-  
ing. The jury reported shortly be-  
fore noon that it could not agree  
and was discharged by Judge Cross.  
Another trial will be given Tuesday  
morning. The warrant grew out of  
the arrest of two young men a few  
days ago on a charge of furnishing  
liquor to girls who were minors.  
The boys were fined \$50 each.

## FOUR BODIES ARE FOUND IN SHAFT

HAD PERISHED TRYING TO  
REACH AIR IN COLORADO  
MINE.

Denver, Col., Dec. 17.—Four  
bodies were recovered today from  
the burning coal mine at Leyden,  
Col. They were found in shaft No.  
2, and evidently had perished in try-  
ing to escape through the flames to  
fresh air.

Work on Dry Docks.

Work on the Ayer-Lord The com-  
pany's dry docks at Brookport is pro-  
gressing rapidly and it is thought  
they will be completed within three  
weeks. They will then be towed to  
Paducah and moored at the foot of  
Jefferson street. The company will  
begin extensive repair work on their  
fleet of towboats.

Summoning Jurors.

Sheriff George Houser and his de-  
puties are busy summoning the grand  
jurors and petit jurors for the Janu-  
ary term of circuit court. The grand  
jurors will report January 2, when  
they will receive the charge and will  
begin their work. The trials will be-  
gin January 3, and the petit jurors  
will report at the court house.

## CANALEJAS PREPARING FOR FIGHT

Spanish Premier Expects a  
Deadly Struggle With the  
Clericals.

Russia Anticipates Outbreak  
of Terrorism.

NEWS OF EUROPEAN CAPITALS.

London, Dec. 17. (United Press.)  
—Admirers of the late Count Tol-  
stoy are now calling the London coun-  
ty council to account for barring one  
of the count's books from all li-  
braries over which it has jurisdiction  
on the ground that it is anti-militar-  
ist in its tendencies.

The book against which the coun-  
cil pronounced its interdiction is a col-  
lection of twenty-three folk-stories,  
among which was a legend current  
for generations in the Volga peas-  
antry, expressing the people's hatred  
of war. The tale was adapted by  
the count under the name of "The  
Empty Drum." The council's edu-  
cation committee included the book  
in its library list; and then, at the  
last moment, some one discovered  
the frankly anti-military character  
of "The Empty Drum" whereupon  
the entire collection of tales was  
stricken from the list.

Under the direction of Aylmer  
Maude, translator of Count Tolstoy's  
works into English, a protest is be-  
ing prepared which will probably  
force the council to what is likely to  
prove a very embarrassing explana-  
tion.

In Spain.

Madrid, via Hendaye, Dec. 17.—  
Premier Canalejas has told the lead-  
ers of all the radical parties in Spain  
that he intends to take vigorous ac-  
tion against the church as soon as  
the budget is out of the way, which  
will be about the middle of Janu-  
ary.

The premier has managed to stall  
off trouble longer than any one had  
imagined was possible. The clericals  
have been ready to put up a fight  
the moment they were attacked, but  
they have no disposition to force a  
conflict, in which they have nothing  
to gain and may lose everything if  
they are beaten. But the radicals  
have been growing extremely im-  
patient at the long delay.

It is reported that the information  
was finally conveyed to Senor Can-  
alejas that there would be no fur-  
ther waiting—that the anti-clericals  
would take the offensive at once un-  
less he showed some disposition to  
fulfill his promises. To this it is  
understood that the premier replied  
that he anticipated a desperate strug-  
gle as soon as he actually moved  
against the clericals and did not  
want to go into it until all his pre-  
parations were completed. The radi-  
cals accepted this explanation but in-  
sisted that some sort of time limit  
be fixed. There may be inaccuracies  
in the details of the story, which it  
is possible to get only at second-  
hand, but that the premier promised  
to open hostilities immediately after  
the budget's passage is a certainty.

It is known, too, that Senor Can-  
alejas explained to his interrogators  
the necessity for an almost complete  
reorganization of his cabinet, upon  
the loyalty of whose present mem-  
bers he cannot rely in a fight against  
the church. He will himself retain  
the premiership, but with the excep-  
tion of Foreign Minister Garcia  
Prieto, there will be a change in ev-  
ery other department.

Terrorism Looked For.

St. Petersburg (via frontier), Dec.  
17.—A tremendous outbreak of ter-  
rorism is looked for all over Russia  
as a result of the meeting of revolu-  
tionaries known to have been held  
recently in Finland to arrange for  
taking advantage of the widespread  
discontent manifested in connection  
with the church's attitude at the  
time of Count Tolstoy's death. So-  
cialist, revolutionary and labor or-  
ganizations throughout the entire  
country have received notification to  
be ready for uprisings on short no-  
tice and offers of arms and explosives  
from the terrorist group. The out-  
break is understood to be under the  
direction of the well-known revolu-  
tionary, Savenkoff, who is said to  
have engineered the Grand Duke  
Sergius' assassination and is known  
to have been a close friend so long  
as he considered him loyal to the  
revolutionary movement, of the spy,  
Azef.

The police know more or less of  
the plot, but seem at a loss to put  
their hands upon the men concerned

## News of Theatres

Nothing to compare in point of magnitude with the big Hippodrome show, which comes to the Shubert Masonic theatre, Louisville, on Monday evening, December 19, for four days, with matinees on Tuesday, Wednesday and Thursday, has never before been seen in Kentucky. Six hundred people are on the payroll of this attraction, not counting a horde of stage carpenters, bill-posters and the general working force that must be carried along in order to manipulate the tremendous theatrical offering. Three great spectacular shows are included in the program, not to mention a tribe of real Indians, a gang of cowboys, hundreds of ballet girls, 50 of the world's smallest midgets, who are likewise circus performers, singers, dancers and clowns, headed by the world famous Marceline. The three spectacles are entitled "Pioneer Days," "The Ballet of Jewels" and "A Trip to Japan." The first of these is a scenic melodrama, in which the Indians and cowboys are introduced to the great delight of the youngsters in the audience. Then follows the bewilderingly beautiful "Ballet of Jewels," introducing hundreds of gorgeously clad corymbes, each one representing a jewel, the ensemble effect being sufficiently scintillant to gorge with color the most critical eye. At the head of the ballet is Miss Vera Sabina, a young and beautiful premiere danseuse. The third and last of the spectacles is "A Trip to Japan." During the circus scene in this part of the show, the midget performers are introduced. Marceline adds his merry quips and jests as well as his acrobatic specialty and the scenic features are superb. Worthy of particular note is the departure of the giant ocean liner from the dock, the gorgeous fete of the chrysanthemums in the Garden of the Mikado and Japan and the feast of 10,000 lanterns. There are but a few of the tremendous features of a show which must be seen to be appreciated. Stage Director H. H. Burnside wrote the big performance, which owes its invention and scenic production to Arthur Voegtlin, and its lyrics and musical composition to Mr. Manuel Klein. Prices for night performances will range from 25c to \$1.50 and matinees 25c to \$1.00.

**The Usual Affection.**  
"What a very affecting piece, my dear," remarked the husband, as they returned from the suburban theater the other night. "I suppose there was not a dry eye in the house."  
"I observed, however," said the wife, "that there seemed to be the usual number of dry throats."—Tit-Bits.

**You Must Read This if You Want the Benefit.**  
J. W. Greer, Greenwood, La., suffered with a severe case of lumbago. "The pains were so intense I was forced to hypodermic injections for relief. These attacks started with a pain in the small of my back which gradually became fairly paralyzing. My attention was attracted to Foley's Kidney Remedy and I am glad to say after using this wonderful medicine I am no longer bothered in any way by my old enemy lumbago."—Gilbert's drug store.

**21 ARE DROWNED.**  
German Steamer Is Wrecked Off Coast of Spain.

London, Dec. 17.—The German steamer Paderno is a total wreck off Cape Corrubedo, on the west coast of Galicia, Spain. Her five passengers and crew of nineteen were lost. Advice received today state that the vessel struck and went to pieces during a fierce gale last Sunday night.

**TAKE CARE!**  
Remember that when your kidneys are affected, your life is in danger. M. Mayer, Rochester, N. Y., says: "My trouble started with a sharp shooting pain over my back which grew worse daily. I felt sluggish and tired, my kidney action was irregular and infrequent. I started using Foley Kidney Pills. Each dose seemed to put new life and strength into me, and now I am completely cured and feel better and stronger than for years. Gilbert's drug store."

And many a woman seems able to love a man most when he is the least deserving of her love.

The John L. Lowry arrived from Evansville at 10 o'clock last night and left for a return trip at 1 o'clock this morning.

The best service from Paducah to the Cumberland river began today. The Nashville arrived this afternoon from Nashville and will leave at 6 p. m. She will leave Paducah every Saturday and every Tuesday while the J. B. Richardson will leave every Thursday for Nashville, giving three boats a week along that stream. The Richardson will arrive here tomorrow from Nashville and proceed to Evansville. She will return to Nashville via Paducah on Thursday and will leave Paducah probably every Sunday for Evansville.

The Belle of Calhoun is expected tonight or tomorrow from Evansville.  
The Kentucky will leave at 6 o'clock this evening for Waverly, Ala., with a big trip.

Wharfmaster Frank Brown was slightly burned about the head and hands yesterday afternoon when he poured gasoline into the office stove to blow the soot from the flue. The fire had not died out entirely and as he was about to touch off the gasoline it was suddenly ignited by the coals and flared up burning his face and singeing his hair.

Incoming boats today brought hundreds of Christmas shoppers from nearby points.

Running ice in the upper Ohio has forced a fleet of twenty-five boats towing engines, to go to the bank for

protection. The passenger boat Lucille Noland bound for Pittsburgh from Cincinnati is also held up. The river is expected to fall so rapidly when the ice runs out that the boats will not be able to reach Pittsburgh.

Working on the Eagle Packet company's new boats at Jeffersonville is progressing rapidly. One of the boats will be named "St. Louis."

The St. Louis Republic of Thursday says: The floating ice was thinning out yesterday. Evansville merchants are endeavoring to establish a new line of boats between that city and Tennessee river points. Many years ago a line of boats did a good business there, but trade fell off and the line went out of business.

The Memphis News-Scholar of yesterday says: The H. W. Huttorf, owned by the Merchants' Packet company and operating between Memphis and Ashport, was levied on yesterday by the Pittsburg Coal company. The boat owners are alleged to owe \$3,500 for coal. It is believed the money will be raised today and the boat placed in commission.

Worse than an alarm of fire at night is the metallic cough of croup, bringing dread to the household. Careful mothers keep Foley's Honey and Tar in the house and give it at the first sign of danger. It contains no opiates. Gilbert's Drug Store.

**WHAT HAVE YOU DONE TODAY?**

We shall do much in the years to come;

But what have we done today?

We shall give our gold in a princely manner;

But what did we give today?

We shall lift the heart and dry the tear;

We shall paint a hope in the place of fear;

We shall speak the words of love and cheer;

But what did we speak today?

We shall be so kind in the after-while;

But what have we been today?

We shall bring to each lonely life a smile;

But what have we brought today?

We shall give to truth a grander birth;

We shall feed the hungry souls of earth;

But this is the thing our hearts must ask:

What have we done today?

**SOCIAL AND CLUB CALENDAR.**

**THURSDAY**—The Dorian school will receive their friends from 8 until 11 p. m. at the Knights of Columbus hall. It is an invitational Christmas reception.

**Friday**—The Dorian school Christmas reception has saved the social calendar for the coming week as far as any announced affair.

The literary clubs, which can be depended upon always to fill their place, however, others may vacillate, are going to celebrate Christmas the week before as well as the week after, so it will be 1911 before you see their familiar names. The sewing clubs, which have been delightfully dependable these anti-Christmas days, are going to stay at home next week and "tie up" the pretty things they have been embroidering for him—and incidentally other more friends. Of course, no one has time for just pastime affairs with Christmas so imminent, and the social clubs are not planning to meet at all until in the holidays, when the rush will be on again.

The Entre Nous club and the Mardi club will be guests of honor of Miss Sarah Sanders at the Woman's club on December 29.

There may be any number of informal dances on, not yet announced, for the college contingent will be at home then and it is safe to assert that not one whole week of the precious two will be taken as a social rest-cure by any of the younger set. Then, the Christmas entertainments for the Sunday school may prove some diversification for the coming week, but it is probable that the majority of these will be held after Christmas, as Christmas eve is Saturday night and things will have to be "rid up" for Sunday.

**Dorian School Christmas Reception.**

The Dorian Private School will have a Christmas reception on Thursday evening, December 22, from 8 until 11 o'clock at the Knights of Columbus hall, in honor of the pupils and their especial friends. Each pupil will be privileged to invited two guests. It will be an attractively appointed affair arranged with the happy charm for which Mrs. Dorian's class parties are notable.

On account of the large number of pupils enrolled this year the reception will be given at the Knights of Columbus hall instead of at the school, as heretofore and preceding Christmas that the out-of-town pupils may enjoy the occasion before leaving for their homes to spend Christmas.

**Are You An Opportunity-Taker?**

Just one week more of Opportunity! Not to "shop early" for that is past already, but to adopt a child, or more for Christmas and get into wireless communication with Santa Claus about them. Good-natured and jolly as he looks, he does not

like rush orders when they can be avoided, and would like a little time to select his gifts with care. Then, those Christmas Seals! If you don't buy them now, you will have lost an opportunity to help Paducah to reach her \$500 mark and aid in the immediate opening of the local tuberculosis camp that is going to do such a great work in fighting that insidious foe, the White Plague, from our threshold.

**Beautiful Reception for Visitor.**

Mrs. Sidney Loeb was the hostess at a charmingly appointed reception this afternoon from 3:30 until 5 o'clock at her home, on Jefferson street, in honor of her house guest, Miss Ella Goldman, of Paris, Texas.

The house was artistically effective in its decorations, the flowers carrying out the color-motif of the room as far as possible. The reception room, which is a symphony in yellow, had yellow chrysanthemums against a background of holly and Christmas greens. In the dining-room the blue and white color appointments of the room were prettily emphasized. The table was veiled in Cluny lace over blue. The centerpiece was a mound of white chrysanthemums, big bows of blue ribbons were effectively used at the ends of the table. The blue candles in crystal candlesticks were white hooded.

Miss Lucile Well welcomed the guests at the door.

In the receiving line with Mrs. Loeb in the reception room were: Miss Goldman, Mrs. W. H. Fineschreiber, of Davenport, Iowa; Mrs. Sam Newman, of Pittsburgh; Mrs. Melvin Waterstein. Assisting in the reception room were: Mrs. Victor Foris, Miss Helen Hillis, Mrs. Joseph Laevision.

Mrs. Ahe Livingston presided at the punch bowl. Entertaining in the dining-room were: Mrs. Harry Livingston, Miss Florence Loeb, Miss Elizabeth Stinott, Miss Faith Langstaff, Miss Almee Dreyfus. A delightful salad course was attractively served.

**An Afternoon With England.**

The next regular open meeting of the Women's club will be on January 5, and will be under the auspices of the literature department. Miss Helen Lowry, the chairman, has planned a most delightful afternoon and it will be one of the anticipated events of the young year. As the department is studying English literature this year, the program will feature England as follows:

Chaucer's England—Mrs. Muscoe Burnett.

Shakespeare's England—Miss Daw Hubbard.

England of the Present Day—Miss Conpton.

A number of attractive English and Scotch ballads will be rendered in connection with the program, under the direction of Miss Sewell musical chairman of the club.

**Students Return for Christmas.**

For the Christmas holidays the large number of Paducah students who are attending college will return home. Some of the students have already returned home, while others will not arrive until next week. With the reunion of the college students the younger set will have many important entertainments.

Misses Mary H. Jennings and Grace McElathery, who are students at Belmont college in Nashville, will return home this evening. Miss Pearl Michael who is attending the same school, will return next Wednesday to spend the holidays with her parents, Mr. and Mrs. Mike Michael. Miss Joe Miller, who is attending Campbell-Hagerman college at Lexington will return this evening.

From the State university at Lexington Misses Pauline Hank Annabel Acker and Ruth McChesney will return next Thursday. Messrs. George Scott and Robert Halley will also return for the holidays. Misses Flossie and Gladys Bugg and Miss Dorothy Rowland, who are students at the Florence university at Florence, Ala., will return next Thursday to spend the holidays.

Mr. Leslie Puryear, who is attending Trinity college at Durham, N. C., will spend the holidays with his sister, Mrs. Edward Mims, at Chapel Hill, N. C. Miss Marjuna Young, who is a student at Blackstone seminary at Blackstone, Va., will spend Christmas with friends in Richmond, Va.

Mr. Pearson Lockwood, a student at Cumberland university, will return next week for the holidays.

Miss Lowry was the organizing regent of the Port Jefferson chapter, and did the work in a way to receive honorable mention at national headquarters. ## Daily Thought.

Knowing that Nature never did

betray the heart that loved her.—

Wordsworth.

The new Chace senate has abol-

ished the wearing queues, and the

new Lexington school board abol-

ished whipping of girls in the public

schools. Surely we are progressing.

John R. McLean is not a candidate

for senator in Ohio. Ten years ago

John might have been; but senatorial

changes have arisen in the election

of United States senators in that

time.

Count de Lescop, having married,

retires from the aviation contests,

declaring it is a sport for bachelors.

Good. In the next war all the

bachelors will be drafted for aerial

service.

If a committee of United States

senators think that Lorimer, of Illi-

nois, is a perfectly proper person to

sit in their chamber, they must not

resent any inference an outsider may

draw from the episode.

One of the men accused of mur-

dering Axton Cooper thanked the

jury with tears in his eyes when he

was acquitted at Eddyville. Yet

there were others to whom he was

under just as deep obligation.

A girl striker in Chicago precipi-

tated with a kick a riot, in which

a policeman and two strikers were

killed. Have you ever considered

how many eventful things in human

life have been started by a kicking

woman?

A St. Louis man has invented a

noiseless soup spoon. Now for a

coffee saucer which can not be

drunk out of.—Nashville Tennessean.

Nay, rather a knife with slide-

boards on it.

The Atlantic Monthly warns us

that the number of hogs is diminish-

ing in proportion to the increase in

human population of this country;

but the deterioration in human man-

ners as we increase, and the im-

provement in the breed of hogs as

they decrease, afford us some assur-

ance that the discrepancy is in a way

being compensated for.

Probably no one enjoys Woodrow

Wilson's popularity as a public

speaker and his ready acceptance of

every invitation to deliver an ad-

dress, more than does your Uncle

Judson Harmon. He knows the dif-

ference between a silver tongue and

golden silence; and, you will recol-

lect, your Uncle Judson never was

carried away by any fatal regard for

the baser metal, even at the ratio of

sixteen-to-one.

If next Monday everybody, who

enters the postoffice will invest five

cents in Red Cross Christmas seals,

the proceeds of which will go toward

equipping the Paducah tuberculosis

sanatorium, the sum total of the

day's receipts will surprise the pub-

lic. We do not desire this sugges-

tion to limit those, who purpose giv-

ing more than that amount; but

those, who pass by the table

ashamed of the small sum they have

to invest, are making a mistake that

is fatal to the enterprise.

SCHOOL BONDS AND CITY BONDS.

The finding of the court of ap-

peals in a case from Newport that

bond issues by school boards in cit-

ies of the second class shall not be

considered in determining when the

city has reached the constitutional

limit of its authority to issue public

improvement bonds, is of great in-

terest to Paducah in relation to a

prospective bond issue for the pur-

pose of erecting new schools, some-

thing that cannot be deferred much

longer, unless some other means for

raising the necessary funds is adopt-

ed. Cities of the second class are

limited to a bond issue equal to ten

per cent of the assessed valuation of

property subject to taxation. Some

objection was made to the issuance

of school bonds at the last referen-

dum on the question, because it

might possibly interfere with the

right of the city to issue bonds for

municipal improvements at some

further date. The school bond issue,

on Hays Howell, Barlow, J. B.

question thus encountered the oppo-

sition of municipal ownership advo-

cates, Hart, Evansville; W. J. Kreider,

## THE WINDOW WISHERS.

The little window wishers, with their tender eyes of blue,  
Standing there before the toy shops, don't they touch the heart  
of you?  
Don't you almost shiver with them as their tattered clothes you  
see,  
The ragged little urchins, with the patches on each knee?  
Can you see them longing, yearning in a sweet childhood's wis-  
tful way  
And forget them in your planning for a merry Christmas day?

Oh, the little window wishers, baby hearts and baby eyes,  
With their trusting faith in Santa gazing there in glad surprise  
At the dollies and the soldiers and the Teddy Bears, believing  
That they will not be forgotten. Can you see them without  
grieving?  
Can you think of them on Christmas when the merry morning  
starts  
Disillusioned, waking up to empty stockings—broken hearts?

Oh, the little window wishers, looking longingly today  
At the wonders in the toy shops in a sweet childhood's wistful  
way,  
Dreaming dreams of Christmas stockings filled with candles and  
with toys;  
Just as full of faith and fancy as your own girls and your boys.  
When you see their big eyes glisten as these splendid things  
they view.  
Can you rush by and forget them, don't they touch the heart  
of you?  
—Detroit Free Press.

ates, and it is probable that this  
vote went a long way toward defeat-  
ing the issue. The ruling of the court  
of appeals settles this question and  
forever removes that objection to a  
bond issue by the school board.  
With this point out of the way, it is  
probable that a school bond issue  
will carry in Paducah.

## ISN'T THIS DELICIOUS?

A man may be ever so lucid, ever  
so logical, ever so consistent about  
matters in general; but engage him  
on his religion or politics or any-  
thing else he may have inherited,  
and then logic, lucidity and consis-  
tency give way to an earnest determi-  
nation to hold on to the precious  
substance come what may, that is  
as comical to an onlooker as it is  
deadly to the principal actor.

There is the editor of the Clinton  
Gazette, for instance. He expresses  
surprise that politics should creep  
into the farmers' institutes of the  
state, and then proceeds to surprise  
his readers with the deliciously un-  
conscious absurdity of his attitude  
toward the situation, as much as he  
professes to be surprised by the sit-  
uation itself.

In the last issue of the Gazette he

Probably the last thing any-  
one would have looked for was  
that politics should get into the  
Farmers' Institutes of the state  
and become so heated as to  
threaten not only the usefulness,  
but the very existence of the  
thing. Such, we regret to say,  
is the case, and every county  
institute held this fall provoked  
a political battle for control  
and the election of delegates to  
the state institute to be held  
next year.

The state  
institute was voted to Mr. Ster-  
ling. Clinton was put in nomi-  
nation against Mr. Sterling and  
received three votes out of  
seven. Mr. Wm. Adams, candi-  
date for governor and a mem-  
ber of the board, voting with  
the Republicans for Mr. Ster-  
ling. Mr. Adams' action was a  
great surprise to the Demo-  
cratic members of the board,  
who confidently expected him to  
vote with them for Clinton.

Waiving consideration of our own,  
as well as Clinton's preference for  
the location of the institute, isn't  
it a bit incongruous for the es-  
teemed Gazette to express surprise  
that there should be any question  
of politics in the state board, and in  
the same paragraph express surprise  
that all the Democrats didn't vote  
together against all the Republicans?

Wasn't Mr. Adams acting exactly  
in accordance with the Gazette's  
desire that politics should be elimi-  
nated from the board, when he voted  
with the Republicans? Glad to hear  
further on this subject from the  
esteemed Gazette. Its attitude inter-  
ests us amazingly.

The Smithland Banner is a trifle  
more frank in its partisanship and  
it says right out it has no use for a  
Democrat on the state board who  
isn't a Democrat, whether he's any-  
thing else or not. Thus:

It is reported by the bolting  
friends of G. N. McGrew that  
after Henry Robinson had been  
chosen as a delegate to the dis-  
trict institute that the county  
institute in session at Bloom-  
ing Grove passed a resolution  
on Saturday before adjourning  
instructing Henry Robinson to  
vote for G. N. McGrew for re-  
election as a member of the  
Board of Agriculture. Mr. Rob-  
inson may or may not deliver  
the goods under such conditions.  
We hope he will not, as no Demo-  
crat ever received any recognition  
at Mr. McGrew's hands since he has  
been a member of of the board.

HER HAND AND ARM  
BURNED AND ITCHED

Could Hardly Sleep at Night for  
About 11 Months. Used Cuti-  
cura Soap and Ointment and  
was Completely Cured.

"My mother had a red spot on her  
right hand which began to grow worse  
rapidly. The neighbors said it was a  
tetter. She got some  
medicine from a doc-  
tor, but it did not do  
any good. In about  
a week the tetter be-  
gan to break out on  
her arm too. She  
used five or six differ-  
ent kinds of liniments  
and three different  
kinds of salves. Not  
one of these did her a  
particle of good. Her hand and arm  
would burn and itch so much that she  
could hardly sleep at night. Her hand  
was that way for about eleven months.  
Finally a friend of ours recommended  
Cuti-cura Soap and Ointment to us.  
She bought some immediately and  
began to use it. She washed her hand  
and arm with Cuti-cura Soap and  
warm water. Then she applied the  
Cuti-cura Ointment and bandaged her  
hand up. The next morning we all  
noticed a great improvement. Before  
she had used a half of a box of Ointment  
and a very little Soap her hand was  
completely cured. Now her hand is as  
well as ever. I think Cuti-cura Soap and  
Ointment is the greatest skin remedy  
ever discovered. C. E. Canady, San  
Leandro, Cal., Mar. 7, 1910."

Cuti-cura is sold at the most economical  
treatment for affections of the skin and scalp  
of infants, children and adults. A box of Cuti-cura  
Soap (25c) and a box of Cuti-cura Ointment (50c)  
are often sufficient. Sold throughout the world.

Percy Craig, the well known bartender, has a fruit cake that he has kept for seven years. The cake was presented to him Christmas day, in 1903, by a friend, and at the time he made a wager that he would keep it over a year. The cake was 12 1/2 inches in size, but now it has decreased until it is only 8 1/2 inches, but it still has all the aroma of a fruit cake. Mr. Craig has kept the cake carefully preserved all during the seven years, and come day promises his friends a feast.

Paducah's small colony of Chinamen will not appear minus their pigtails in spite of the fact that the Chinese senate has ordered all subjects to cut off their queues. The colonial population of Paducah has gradually diminished to four, and according to Ah-Sing Pong, who was interviewed as nearly as possible this morning at the Chinese laundry, only two have clung to their queues. When asked if they would comply with the order Pong replied: "Cut-off tomorrow."

FREE TO YOU—MY SISTER Free to You and Every Sister Suffering from Woman's Ailments.

I am a woman. I know woman's sufferings. I have found the cure. I will send you a complete tea set, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—your mother, your sister, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. You cannot understand woman's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White Discharges, Uterine, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths, also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weakness, kidney and bladder troubles, when caused by weakness peculiar to our sex. I want to send you a complete tea set (free) entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for you; or, if you prefer, I will send you my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing the cure and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all old or young. To Mothers of Daughters, I will explain a simple home treatment which speeds and effectually cures Leucorrhoea, Green Sickness and Painful or Irregular Menstruation in its early stages. If you are a sufferer, I can refer you to ladies of your own locality who know and will gladly tell my sufferer that this home treatment really cures all women's diseases, and makes women well (strong, plump and robust). Just send me your address, and the free tea set and your treatment is yours. Write today, as you may not see this offer again. Address

## CANALAJAS PREPARING FOR FIGHT

(Continued from Page One.)

In many arrests have been made to capture the individuals they sought and the utmost anxiety exists among the authorities concerning the outlook.

### Royal Personalities.

London, Dec. 17.—The flying visits King Alfonso is in the habit of paying to Paris are not unconnected, asserts a gossip London newspaper, "with the residence in that city of a beautiful young actress. Five years ago the lady in question was earning fifteen shillings a week as a midinette. Today she is surrounded by every luxury wealth can buy."

"Among those in the company of the czar of Russia," another London newspaper says, "during his sojourn in Germany, it has been the subject of considerable comment how greatly his majesty has improved in health. He no longer wears a worried and haunted look, and chats and jokes as he did in the days before he came to the throne. Malignant gossip put it down to the influence exerted upon him by a beautiful lady whose husband is a member of the czar's household."

"When the ex-shah left his place of exile in Russia to proceed to Vienna and thence to Paris," a third London newspaper relates, "there was a general belief that his movements were connected with a plot to regain for him the throne of which he was deprived last year. It has now transpired that the ex-shah was driven across Europe not by politics, but by love. The lady upon whom he has placed his affections is a charming and beautiful Irish girl. The ex-shah saw her at a music hall in Russia and fell in love with her. One of the Persian gentlemen in attendance on him was dispatched to negotiate with the lovely dancer and to invite her to join his harem as his legal wife. She rejected these overtures, declaring that her principles would not allow her to marry a man who already has as many wives as the ex-shah."

### Americans Lack Dignity.

London, Dec. 17.—The London Globe, which specializes upon the subject of colonial government, thinks that if Americans would be more dignified, they would be better colonial administrators. "With the acquisition of the Philippines," says the Globe, "the United States entered the ranks of colonizing powers. The prime object of American administration is to fit the Philippines for self-government. The immediate developments are on lines familiar to us in Egypt and India. The writings of American thinkers are quoted against the practice of American administrators."

"This makes for unrest and the movement is aided by the free and easy, democratic style of the American officials. The Spaniard, whatever his defects, was always a stately and dignified figure of a gentleman. The American has no time to think of manners and the Filipino puts him down as a barbarian. The result is a contempt for the white man, which gravely impairs the authority of American administration. "All these difficulties the American ignores. He will not admit that the Filipino is really inferior to or even different from himself. Rightly or wrongly then, he introduced his own system of education and is determined to carry it through. As our own experience has shown us, the worst features of western civilization are the first to be assimilated. But the Americans persevere and have at any rate showed that the Philippines possess artistic instinct of a high order."

### London County Grant.

London, Dec. 17.—In voting for the purchase at fully ten times its actual value, of the real estate in Tabard street and its vicinity, the London county council has undertaken to put through as bare-faced swindle as any in the history of graft.

To enrich the owners of almost worthless slum property, the council proposes, in short, to pay about \$1,600,000 more than the same owners would have been willing to take for the same property up to the time when it became known that the council was in the market for it. Aside from the matter of price, the purchase is a step in the direction of ridding London of a collection of the most shocking rookeries to be found in any civilized city on the face of the globe, and to substitute for them model tenements and small parks—a project which, if honestly carried out, has everyone's hearty approval.

The Tabard street area is thirteen acres in extent, contains 62 houses and shelters 3,552 persons, all of the lowest type. For this area the council has offered, despite the protests of the public and an impotent minority of its own members, \$1,830,000, which works out at \$2,315 per house. But in another way, the taxpayers are asked to pay \$500 for each man, woman and child to clear out of one of the worst plague spots on earth. Each house, without the land it stands on is estimated, by the council to be worth \$1,955.

As showing the enormity of the steal, Edwin, Son & Ingless, an old firm of solicitors, were recently offered by a disgraced property owner, a block of fifty Tabard street houses for \$3,250 for the lot. This works out at \$65 per house, instead of \$1,955 as estimated by the council. There is not in fact, a house in the district which could not have been bought for \$100 before it became known that the council intended to buy it.

### French-German Line War.

Paris, Dec. 17.—A bitter war is on between the French and the Germans over the use of Cherbourg as a port of call by the German trans-Atlantic liners, and as the result is by no means sure that Cherbourg will continue to get the patronage.

The French line being heavily subsidized by the government, is shown all kinds of favors at the expense of the German lines. Though no pilot is really needed at Cherbourg, one must be employed and the charges are enormous; anchorage room is often difficult to find, long delays resulting from this; there is no railway station at the pier and passengers have to take their trains in the worst sort of weather without even so much as a shelter over them; the Western Railway, government owned, has been allowed to fall into a disrepair which makes the trip to and from Paris dangerous and full of delays, while the first class carriages employed are worse than the third class German cars.

Cherbourg may yet be abandoned, though negotiations have been under way for some time looking toward a remedy for all this. Boulogne would get the patronage in case Cherbourg were deserted. Havre, on the other hand, the home port of the French line, has all sorts of advantages.

### Colored Campaign in England.

London, Dec. 17.—American negroes are waging an energetic campaign in England to convince the country of the truth of articles recently published in Europe to the effect that the black's condition in the United States is really all that anyone could desire. The London Daily News in particular, is devoting much space to the exposition of their views.

"Our people," says a recent open letter on the subject in the News columns, "were emancipated in a whirl of passion and then left naked to the mercies of their enraged and impoverished ex-masters. As our sole means of defense we were given the ballot and we used it so as to secure the real fruits of the war. No sooner, however, had we got rid of nearly two-thirds of our illiteracy and accumulated \$600,000,000 worth of property in a generation than this ballot was taken from us by force and fraud."

"Along with this has gone a systematic attempt to curtail the education of the black man. In every walk of life we meet discrimination based solely on race and color. Worse than all this is the willful miscarriage of justice. Not only have 3,500 black men been lynched in the last twenty-five years, but regularly every day throughout the south, the machinery of the courts is used to wreak public dislike and vengeance and to raise public funds."

"Everywhere in the United States the old doctrine of recognizing fitness whenever it occurs is losing ground before a reactionary policy of denying preferment to competent men if they have a trace of negro blood and of using the weapons of public insult and humiliation to keep such men down."

"Against this dominant tendency strong and brave Americans, white and black are fighting, but they need and need badly the moral support of
